MEMORANDUM FOR: Inspector General

VIA : Deputy Director for Administration

SUBJECT : Alleged Illegal Domestic Activities  
(Background Information for the  
Presidential Commission Staff)

1. Reference is made to a memorandum captioned as above dated 4 March 1975 from the Director of Security to the Inspector General forwarding two attachments, one entitled "Dissident Activity January 1968 through January 1973," prepared at the request of Mr. Robert Olsen of the Presidential Commission Staff who had received two advance copies of the attachments on 27 February 1975.

2. Recently Mr. Olsen verbally requested that the Dissident Activity memorandum be expanded to include similar information concerning 1966 and 1967. In response to this request, attached is a blind memorandum captioned "Dissident Activity January 1966 through January 1973." This memorandum includes all information contained in the 1968-1973 coverage melded with 1966-1967.

3. Your attention is directed to that portion of instant attachment (pages 24-25) derived from a Federal Bureau of Investigation monograph concerning the New Left Movement, dated December 1967. The quoted portion of this FBI document was originally classified Secret but has since been declassified.

4. The remainder of the attachment is from completely unclassified sources, 97 percent being derived totally from verbatim reorganized extracts from the following: "News

OS 52265

Dictionary" (an encyclopedic summary of contemporary history),  
a Facts on File Publication, volumes 1965 through 1973; and  
the "Britannica Book of the Year," Encyclopaedia Britannica,  
Inc., volumes 1967 through 1974 (covering each preceding year).
